Task – 1

a) Where was the photo taken?

Download the image

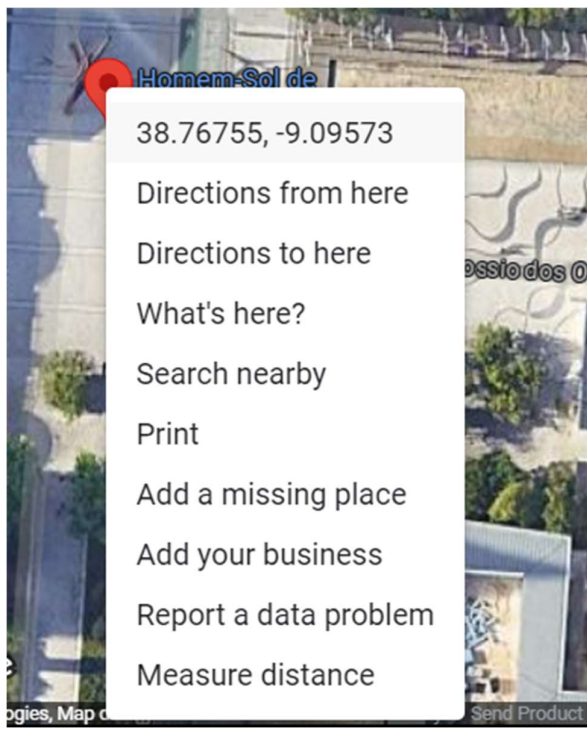

Use image reverse look up to find the photo

You will find the similar image and place information

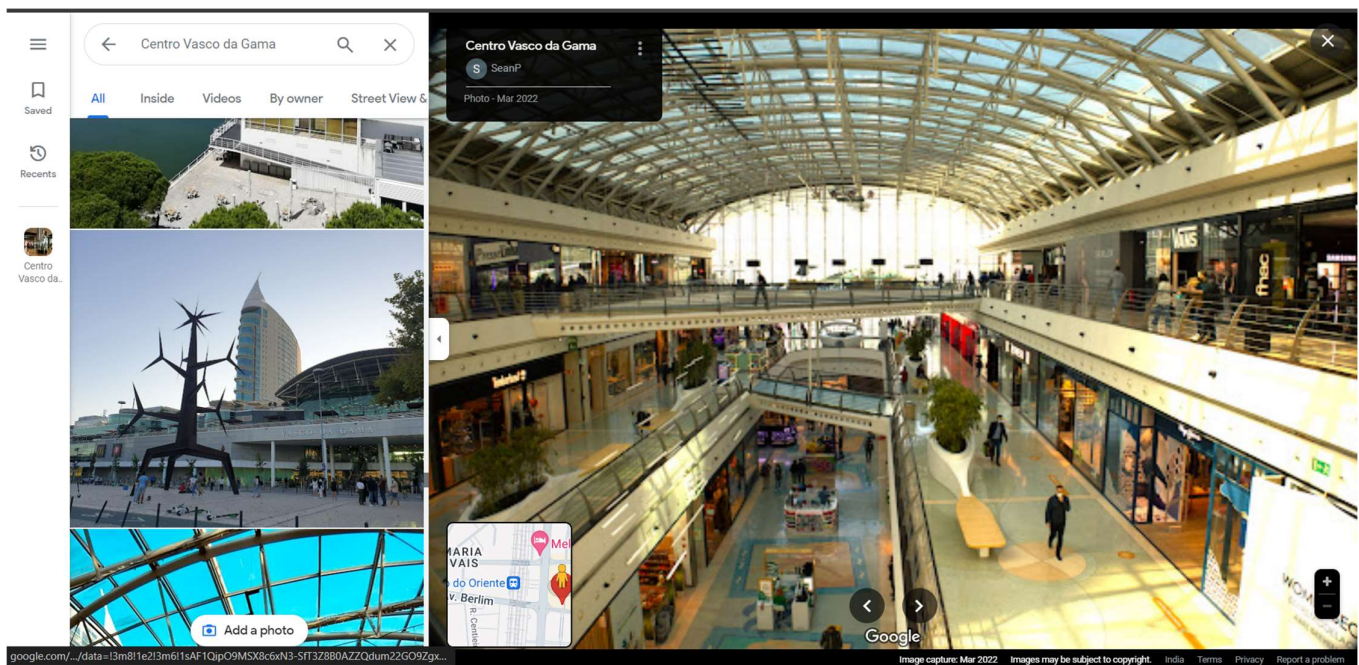

The photo taken at : Centro Commercial Vasco da gama

Search the Map to find the co-ordinates

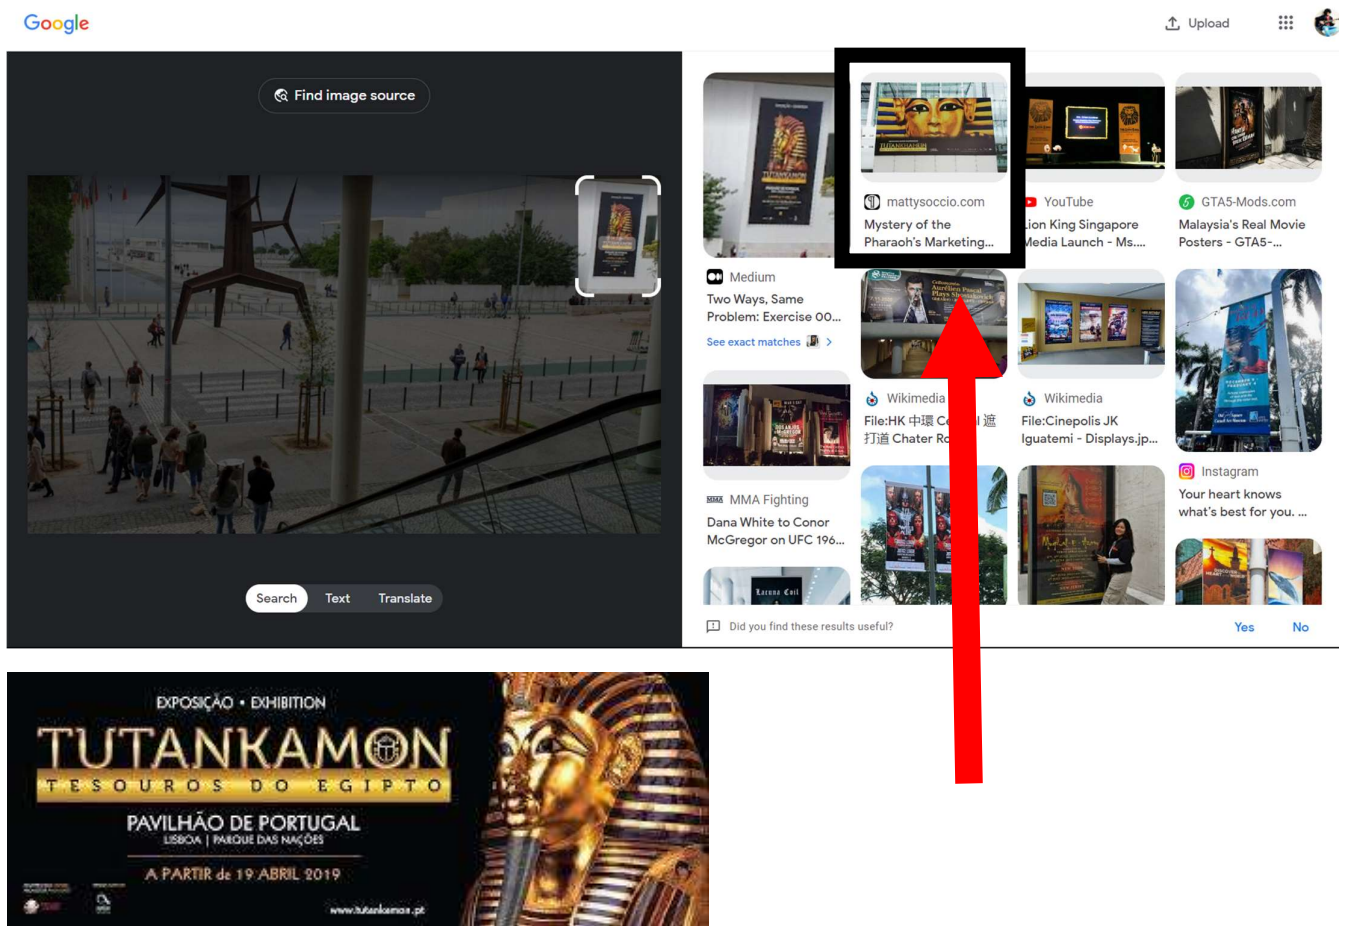

Coordinates: 38.76755986286469, -9.09570186082792

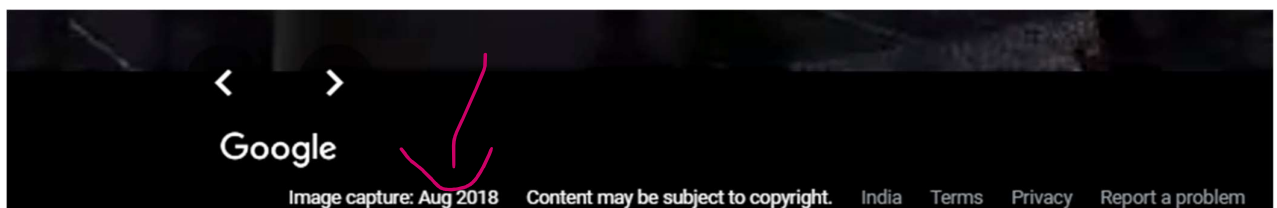

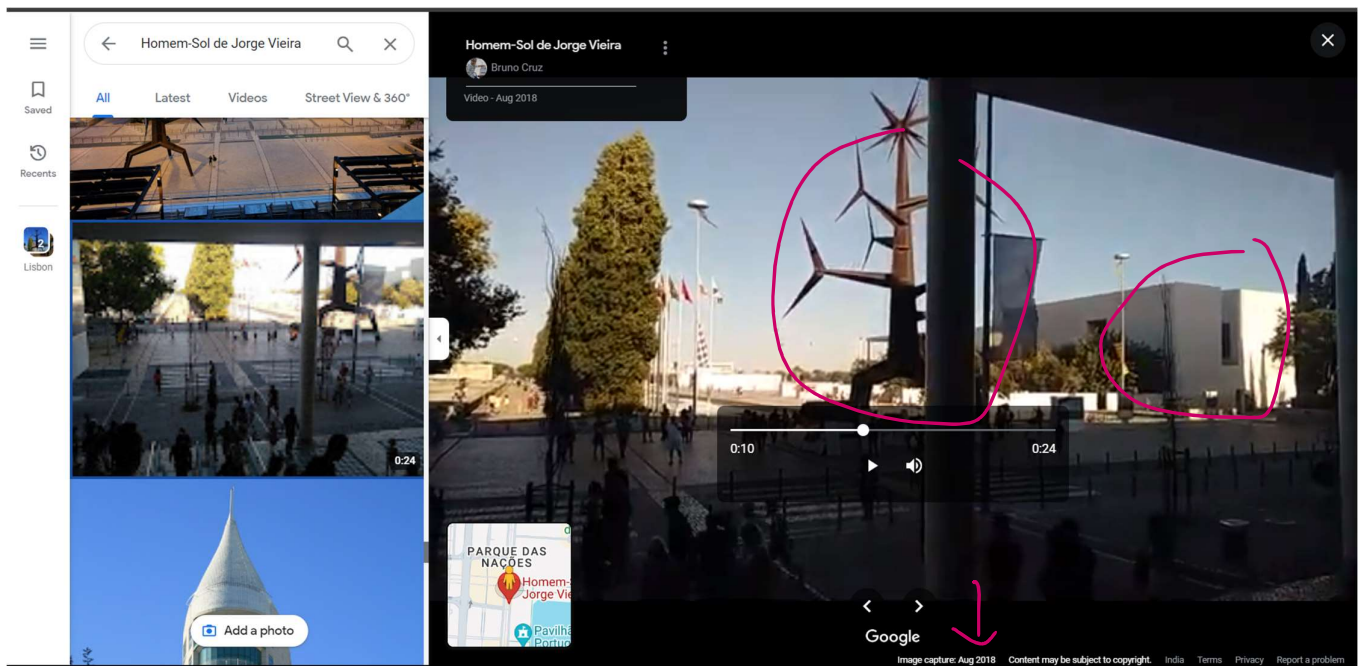

C) I search the selected part in a google lanse and find that this is a Tutankhamun Pavilhao de Portugal poster

<https://tutankamon.pt>

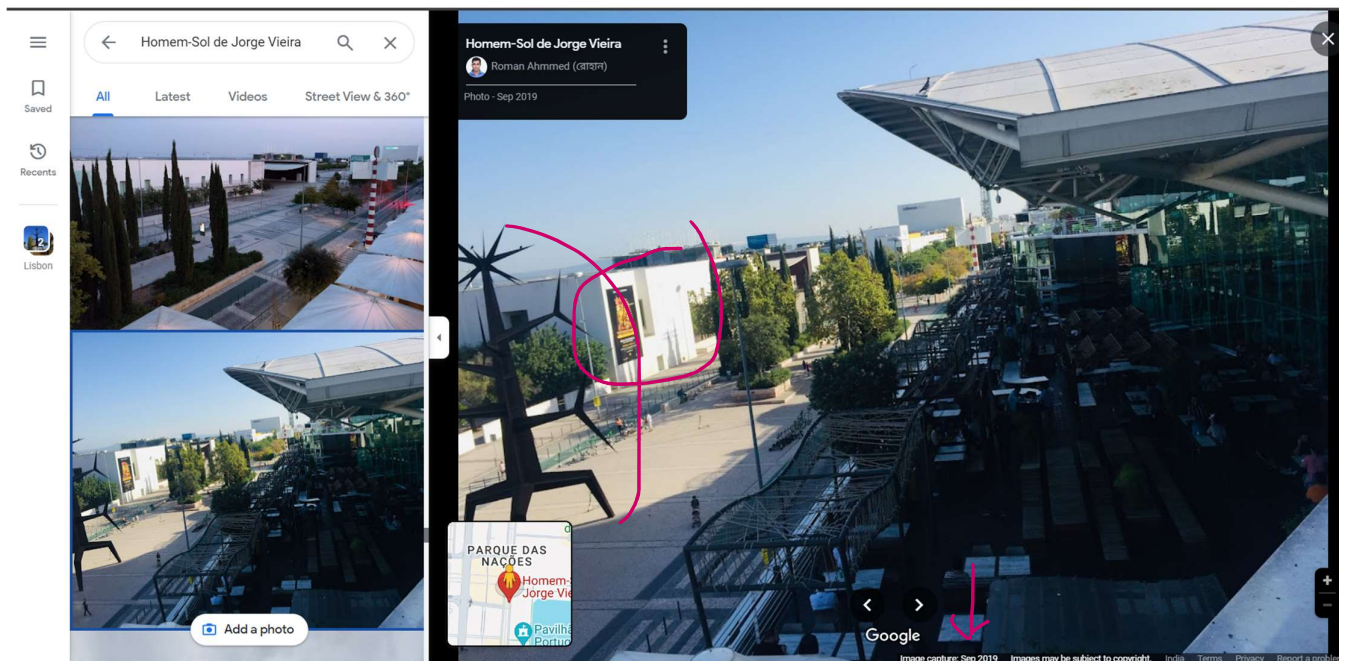

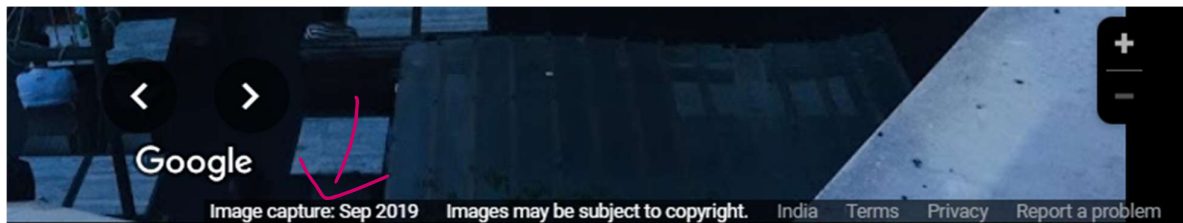

- b) This image shows the date of 19 ABRIL 2019
- I see the past photo and videos on a google map
- I found one video from august 2018
- There is no poster there

I found another image from Sep 2019 where the poster is appeared in a image

So we can say that image is taken in 2019
